OCTOBER IS

DOMESTIC VIOLENCE

ACTION MONTH

October 1-15

Join us at COOL BUSINESS to pick up our brochures with helpful talking points for parents about healthy relationships and 15% of your purchase supports our efforts to prevent domestic violence.

Mondays in October

Each Monday night from 6-7:30, we'll eat pizza and tackle a different topic covered in Love Like This. We'll cover how to ask someone out, texting, fighting fair, and even breaking up. Join us if you're new to dating and if you've been around the block before.

October 15 at 7:30pm

See you at the THEATER for this AWESOME MOVIE. Stay for a discussion on how our community can better support survivors and prevent violence.

October 22 at 6pm

Parents and teens are both invited to a listening and sharing session on "hanging out". If you're nervous about your teen dating, this is the place for you. And if you are a teen curious about dating but want to learn more, this is also the place for you!

October 31 4pm -7pm

We want relationships to be fun and not scary. Join us on Halloween night to celebrate the end of DVAM and the beginning of healthy relationships for all in our community! Stop by and get some candy and great tips for super supportive (not super-scary) relationships!
