

WE WANT YOU TO VOTE IF YOU WANT TO!

## ➤➤ VOTING WHEN YOU ARE HOMELESS

You do not need a picture ID or proof of address to register to vote in Washington.

If you are homeless or don't have an address, you can still register and vote.

Each county has an auditor (election official) who will register you.

Every county auditor needs two things to register you:

- A location where you live, such as a shelter, park, motor home, intersection or other identifiable location you consider your residence. (Because different locations have different people to vote for.)
- You must have a mailing address where you can pick up your ballot in time to vote. A mailing address can be a post office box, address of a friend or relative, shelter, or general delivery at a local post office.

You can advocate for yourself at your county auditor's office or get help from your local advocate.
